

A photograph of a single-story house with a brown brick exterior and a white gabled roof. The house has a front porch with a white railing and a stone base. There are several windows with white frames and shutters. The house is surrounded by a green lawn and some landscaping plants. The overall scene is bright and sunny.

**Make Housing  
Affordable.**

# A HOME SHOULD BE WITHIN REACH

Arvada and Westminster are great places to live, work, and raise a family. But with rising rents and record home prices, it can be impossible for hard-working people to make ends meet. Rachel Zenzinger believes we need to make housing affordable, so all families can establish roots in our community.

True to her bipartisan nature, Rachel is willing to work across the aisle to help Coloradans stay in their homes. She isn't concerned with party bickering, she will do what it takes to get **real results**:

- 🏠 **Protect senior and veteran housing**
- 🏠 **Invest in middle-class neighborhoods**
- 🏠 **Advocate for affordable rent**
