

This November,
the choice is clear.

Only one candidate will deliver
Real Results.

ZENZINGER
State Senate District 19

Arvada and Westminster Need Real Results

Dear Neighbor,

As your State Senator, I reached across the aisle to work for your family and our community. I sponsored eight bipartisan bills that became law and got Real Results for our classrooms, seniors, and working families. Now, I'm asking you to vote to send me back to the Colorado Senate to keep getting Real Results for you.

- Attainable housing that allows Colorado families to live together, where they want to live.
- Higher wages to help keep the economy in balance.
- Lower costs for college — no more lifetimes of college debt.
