Rachel Zenzinger for State Senate District 19

Colorado families should have a government that works for them, but to get to that point, Colorado needs people like Rachel Zenzinger in the State Senate. Her people-skills and bipartisanship have historically translated into Real Results. Her priorities:

- ▶ Make a high-quality education available to all children, regardless of their parents' zip code
- ▶ Stabilize and improve the economy by increasing wages and providing strategically targeted job training
- ▶ Make sure all families can establish roots in our communities by making housing affordable
